One reader said that newcomer Daniella Grey is not only gorgeous, but a stacked superstar in the making. What do you think about this curvaceous cutie?

DANIELLA GREY IS A SUPERSTAR WONDER

Dear *Voluptuous*,

I just wanted to say that I think all the women in your March 2011 issue are extremely beautiful. All of them are exactly what I like, plump and busty. Thin women do not turn me on at all. And all of the new finds in this issue are great. I think that newcomer Daniella Grey is gorgeous. I sense a superstar in the making! And as for Analee Sands, what can I say? In a word, breathtaking, to say nothing of knob stiffening! With a face and hot body like that, I know she is going to be very popular with readers. She certainly is with me! Keep up all of the good work, V-mag! –Anonymous, via the Internet

THE APRIL 2011 ISSUE WAS A HIT WITH HIM!

Dear *Voluptuous*,

Are you ready for some of my ramblings about your April 2011 issue? Well, for starters, thanks for having Julia Juggs tits out and visible over the top of her dress right from the beginning in her debut layout.

It would have been a waste if those twin beauties had been covered in any one of her photos.

I felt the same way about Vanessa Del Mar's exciting XXX layout. She's hot. Her tits are first-class! And you might think that I am a fool for stating this, but I wish that Destiny Rose's red bikini could have been even tinier that it already was.

And I loved Arianna Sinn's XXX layout! I knew that her first hardcore layout would be worth waiting for. She surpassed all of my wildest dreams. I would love to see what she could do with two cocks at once! She is so hot, I am sure that she will be excellent in a threesome.

As for Aileen Ghettman, I hope that she never shaves off her delightful pubic hair. I mean, I would love her if she decided to remove it, but I think she is very exciting to look at just the way she is now. There is something very sexy about a woman with a full bush and you don't see it often.

Lastly, I would like to extend a big welcome to the lovely Elaina Gregory. Her little, pink nipples were very perky and very suckable. I enjoyed them. –C.J., Philadelphia, Pennsylvania

Reader C.J. says that he enjoyed Elaina, Destiny and Aileen from the April '11 issue of V-mag.

THEY ALL ADORE THE ONE AND ONLY DORS

Dear *Voluptuous*,

I just got the May 2011 issue of V-Mag. Thank you so much for bringing us Dors Feline! I am as intoxicated by her charms as I haven't been by any other woman since Linsey Dawn. She is so, so fine. I'm hoping this is the start of a long relationship between *SCORE* Group and Dors. We really need to see her again. Is it too early to start thinking Newcomer of the Year? Because I think that Dors could win it! Thanks and I think that you guys and gals are doing great work.–J.K., via the Internet

Dear *Voluptuous*,

The May issue was awesome and that was mostly due to the amazing Dors Feline! From her tattoos to her enormous whoppers, she is perfect. she is my kind of woman. I like women who are built like she is. She looks like she is soft and I would give my right hand to jump in

Dors Feline made her debut in the May '11 issue and her dangerous curves made a lot of V-men rev their engines! Look out for more photos of Dors in upcoming issues!

the sack with her and get lost in the softness of her flesh. Imagine laying your tired head on her huge tits. What a phenomenal pillow they would make! I can't wait until you guys bring her back so that I can peruse her incredible body again! Dors is perfection! –G.L., Aspen, Colorado

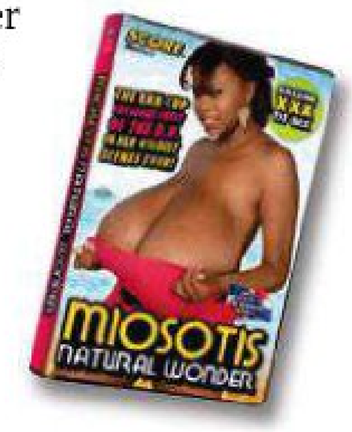
Dear *Voluptuous*,

On the subject of the May 2011 issue, I think that DORS FELINE has an absolutely breathtaking figure. She is amazing! I just think that it is too bad that she has marked herself up with all of those tattoos. The tattoos break up her outline and make it harder to really see her figure! Still, I sincerely hope that you're lining up a bunch of professional porn studs to film and photograph her in hardcore action for us every month for the next year or so! And please don't forget to throw in some black porn studs like Lucas Stone. I think that the contrast is quite enjoyable. Thanks! –A.L., Los Angeles, California

DOMINICAN TRIFECTA OF PERFECTION!

Dear *Voluptuous*,

The Dominican Republic is really letting it all hang out. This country has women with big tits and outrageous bodies. I am not sure what causes Dominican women to grow big, natural fun-bags, but I will volunteer to be a big tit researcher to find out the cause of these explosive racks coming from the Dominican Republic!



Clearly I am talking about Kristina Milan, Miosotis and Vanessa Del Mar. They are such hot Caribbean beauties! I love their brown skin, big, dark brown areolae and round, bouncing booties. My fantasy is to see my hot, white cream all over them. I would love to shoot my load all over their big, brown jugs. I would love to fuck this trio of Dominican ladies. They are the trifecta of perfection!

Just seeing these three ladies makes me wonder just how many more undiscovered big-titted beauties wait in the tropics? I imagine that the beaches of the Dominican Republic are littered with huge-breasted lovelies, strolling around in string bikinis, making men turn their heads everywhere they go!

I, for one, am looking forward to seeing more impressive Dominican racks in the pages of V-mag in the future. I hope that you guys have teams of photographers over

JULIA JUGGS SENT ONE READER INTO JACK OVERDRIVE!

Dear *Voluptuous*,

I was really impressed with the ladies that you featured in the April 2011 issue of V-mag. All of the ladies made my dick hard and I had many a fantasy about most of them. But my number one fantasy girl is Julia Juggs. From the minute I saw her in that pink outfit she was wearing, I was smitten with her. There's something about her that drives me crazy. I found a lot of the women in the issue attractive, but Julia made me jack-off like crazy! I absolutely love her. I think her body is great. And I like her long hair and her incredible ass. But mostly, I found myself jacking my dick into overdrive because of her smile. She has a really horny smile. It makes her look like she is going to do all sorts of hot things to you. I like that. Do you think that you give me a bonus shot of her incredible and inviting smile? I would love to see it.–P.L., Duluth, Iowa

Julia Juggs' ass might be inviting, but her smile promises things to cum!

SCORELAND BLOG

HANGING AROUND WITH THE BIGGEST TITS IN THE WORLD

The *SCORELand* Blog *(blog.scoreland.com)* is a great place to get the boob news you love, and is quickly becoming the best place to talk shop about the tits we enjoy and the stacked babes we lust after. Join in on the conversations between *SCORELand's* Elliot James, *SCORE* editor, Dave Rosenbaum and *Voluptuous* editor, Maria Guerrero. Here's a quick peek at some of the hot topics being discussed by boob lovers on the blog right now. Check it out and then log on and get off with the *SCORELand* Blog!

Cherry Brady looks great not once, not twice, but three times! She is a one-woman tit squad! And we don't mind, because three cherries is a JACKPOT!

Look! We Got Three Cherries! Jackpot!-*by Elliot James*

Cherry Brady. That lusty, busty, red-haired voluptuous vixen who sports a bra tag that reads 36G (sometimes 38G). An intelligent, active woman who loves and worships everything about tits. Who does not believe in breast reduction. Who truly comprehends the specialized mind of the tit-man. Because Cherry is a tit-woman who walks the walk and talks the talk, and we're damn lucky she likes to share her toys.

In "Mirror, Mirror On The Wall," starting today only at *XLGirls.com*, Cherry models the hottest bikinis, tops and other titty-tighties, then plays with her famous heavy hangers and her cherry-fine pussy in front of a three-sided, full-length mirror. See a different side of Cherry. Like the three sides of Cherry in this fresh, hot and horny vid. So who needs television, huh?

When Arianna Sinn Speaks, People Listen-*by Elliot James*

I could listen to Arianna Sinn talk all day. Talk about anything. Her tits. Corn. Her co-stars in *Big-Boob Finishing School*. *BustyArianna.com*. Sex. Life in Romania. Anything she wants to talk about. This video is in two parts. Drop by tomorrow for part two.

I like to hear *SCORE* Girls speak. Always did. The female voice has always had an effect on me and when they have accents that could melt titanium, the effect is amplified. Like a sailor drawn to the siren. Arianna's Romanian accent is not only sexy, it's relaxing. However, not everyone feels the same way. The other day, an email came in and the gist of it was that the writer just wanted to see the girls posing, playing with themselves or in XXX scenes. He had no interest in interviews or listening to any of the models speak. "Let's get on with it," he wrote. "Models should be seen and not heard." I guess he doesn't watch those late-night TV infomercials with sexy models selling boner pills, either.

I didn't agree with his point of view at all and his request to hush 'em up. Hearing models chat with another person, whether it's in a real-life conversation (like *SCOREtv* or a Blog vid) or with another person in a video scene or just by themselves jack-talking in a solo video is one of the great simple pleasures of life. Some of my favorite voices belong to Kerry Marie, Linsey, Kianna Dior, Cherry Brady, Angela White, Christy Marks and Renee Ross. Daylene Rio, Kitana Flores, Annina, Jenna Valentine, Brandy Talore and Eva Notty also have ultra-sexy, distinctive voices.

When busty babe, Arianna Sinn speaks, it's charming and cute.

Natalie Fiore

These pictures demonstrate everything that is good about a tropical getaway; sunshine, shoreline and super-tits! And while not all of us will get to spend our time off with a fox like Natalie Fiore, we can certainly get off with her! These photos were snapped while Natalie spent some time with our lens men on the island of Grand Bahama. The perfect weather agreed with Natalie who couldn't get enough of the surf and sunshine. Natalie spent a lot of time on her balcony, (Naked, of course!) oiling and creaming her tits. Big tits and relaxation? That sounds like the vacation of our dreams!

Before you can say it, we will point out that yes, Natalie's tits ARE bigger in this pictorial. Luckily for us, Natalie's tits continue to get fuller and bigger as time goes by. "I don't mind that they are getting bigger," Natalie told us. "I like being a woman with a voluptuous body. My curves only attract more attention from men and I love being looked at. When I walk into a room, everyone's eyes are on my body and it makes me feel sexy. The more people stare, the better." We can say with certainty that everyone's eyes are on Natalie right now.

So what is making Natalie's cup size runneth over? She says that her growth spurts are due to lots of sex and, wait for it…cum! And I also like to rub lots of cum and lotion on my breasts, too."

This sticky Chloe sundae looks good enough to eat for hours!.

There's many more. I'm sure you have your favorites, too.

They Say Chocolate Is Better Than Sex…*-by Maria Guerrero*

But what the fuck do "they" know, anyway? 'Round these parts, we like our chocolate during sex, hence why occasionally, we enjoy what I like to refer to as, THE 'FUCK ME' SUNDAE.

The fuck me sundae is like a dessert for your eyes, tummy and dick all at once. You see, it starts off with a hot chick and ends with her covered in sticky chocolate syrup. And there's this helpful part of me that thinks, "Hey, someone should lick all that chocolate off of her. Hey! I can do that!" You know…'cause I'm helpful.

Over the years, we have shot a bunch of these kinds of photosets, but the top three, for me anyway, are Crystal Gunns, Sarah Mercury and Chloe. Maybe it's because I would gladly help them get clean any day of the week and twice on Sundae?

I know we've talked about whipped cream before, but what do you think about the chocolate situation? Some people might be put off by the messiness of it, but not me. I like chocolate and I like hot chicks, so it works for my perv side. But what about you guys? Chime in on chocolate!

The Weather Is Hotter, The Girls Are Wetter!

-by Maria Guerrero

We all know that the *SCORE* headquarters is in Miami and that Miami is the place to be, especially when most of the country is still freezing and detesting the cold weather. Now, before you all roll your eyes and mutter all sorts of curses about us Floridian folks who are enjoying beach weather these days, know this: Miami is unbelievably, unbearably hot. Like, uncomfortably hot. In the summertime, it gets so hot that we spend a lot of time indoors.

So, today I am going to talk about photos showing girls in the great outdoors, dousing their big jugs with loads…of water. (Although the other kinds of loads on tits are fun, too!) Yup, this one's about hosed-down hooters. Because there is nothing wrong with a stacked doll getting sprayed down in the sunshine.

I, for one, love pictures of a woman being hosed down. I like the streams of

Now, the blonde girl-next-door is back and this California dream is letting it all hang out in the sunshine. Kaytee lists some of her hobbies as camping, target practice, fishing and yoga. She loves being outdoors and isn't the prissy type. In fact, she loves to build things and likes getting dirty. "I spend a lot of time in my garden and I like to work up a sweat and get dirty. Anything I can do outdoors is fun for me. I don't get to go to the beach a lot, but I do have a pool in my backyard and I like to put on a string bikini and swim and then lay in the sun topless. There is something really sexy about being half naked in the sun. Sometimes, the cool breeze will tickle my nipples and they get really hard. It makes me very horny. I will admit that I have rubbed my pussy poolside and cum right out in the open, too."

StoreMags.com

And like a true big titter, Kaytee likes to pull her nipples while she cums! "I love to masturbate," she said. "I start by rubbing my fingers on my clit until my pussy gets nice and wet. Then, I thrust my fingers inside of my pussy nice and deep and I finger-fuck myself until I can feel my pussy juices starting to drip all over the place. Then, I like to pull on my nipples one at a time until I cum. And when I cum, I cum really loudly. I'm sure on those days that I masturbate in my yard, that all my neighbors totally know!"

A Lesson In Lust

When people want to learn about engineering, they go to CalTech. When they want to learn about architecture, they go to Harvard. And if they want to know how to use their tits and pussy to please a man, they go to Michelle Bond's *Big Boob Finishing School*. The top of the tops with the biggest tops, enroll for some serious schooling on how to please a man's tool. Here, we observe busty head mistress, Michelle Bond, demonstrating Cock Pleasin' 101 to two of her favorite chesty charges, Lana Ivans and Arianna Sinn. These girls want to learn how to drain a man's dong and boy have they come to the right place. Michelle's teaching method requires a hands-on approach and by that, she means that she wants these ladies' hands all over each other. Ever the apt pupils, these busties dive into the, um, lesson!

First on the syllabus is a lesson in cock sucking. Michelle teaches Arianna that the best way to milk a hard dick is to get in there and use everything you've got. She shows Arianna how to grip the cock, slurp on the cock and how to use her full floppers to stroke the cock. Lana gladly watches as Arianna felates her strap-on. Elaina's story is one of our favorite kinds because when she arrived at our studios, she had never modeled professionally before. And, like most of our new models, it did not take her long to warm up to being nude in front of our lens. "The only other pictures I ever took before were for my husband," Elaina says. "That's it. And in the comfort of my own home. No other guys were there." Well, you would never know it judging by Elaina's warm smile and eagerness to show off her goods! One of our favorite parts of Elaina's incredible anatomy are her pretty, tiny areolae and her stiff nipples. It's a nice contrast to have such delicate, pink dugs on such big N-cup knockers.

Now, I love Kristina's milky jugs, and I definitely get off on the way she rests her tits on guys' thighs while giving blow jobs, but you know what? I'm not sure I ever need to see another photo of Kristina naked because the sight of her in tight tops does it for me. This one in the white top, in which her cleavage seems to go on for hours (I dare you to look her in the eyes), is from today's posting. And yes, the appropriate response to this photo is, "Holy shit!"

Mandy Pearl: Take me out!

-by Elliot James

Over in Great Britain, Mandy Pearl (one of the reasons Great Britain is great) is part of the cast of a new dating show on the ITV channel called *Take Me Out*. The once-prolific dating shows in the USA like *Blind Date* and The Fifth Wheel have tanked, but we're glad to see they're still going strong in the UK. In this tribute to male humiliation, a single guy looking for a date tries his luck on a bunch of hot chicks, including Mandy. They signal their disinterest by switching off a light at their podiums. That gives the host (Sir Paddy McGuinness) the chance to say his trademarked phrase, "No likey, no lighty." The rejected boob eventually takes his pick of the girls who haven't switched off their lights. Sounds like fun if you enjoy seeing your fellow man cut to size. Definitely not as much fun as watching Mandy in *Hooter Hotel* and her vids and pix at *SCORELAND*, but we're glad TV producers recognize talent.

Arianna, Lana, Sophie and the secret of corn

-by Elliot James

What is the miracle of this grain called corn or maize?

Romanian babydolls Arianna Sinn and Lana Ivans say in Part 2 of today's video that it gives girls big tits. Looking at Arianna and Lana, we would be schmucks to refute their claim. We were reluctant to release this secret information on the *SCORELAND* Blog for fear it would cause the price of corn to skyrocket worldwide after those sleazy Wall Street futures traders read this.

Czech Republic citizen Sophie also says beer is good for breast growth. But not just any beer, Sophie points out. It should be dark or black lager. The kind a spoon can practically stand up in. There's something to this beer claim. In Bulgaria, a brew called Bohza lager, based on a traditional Bulgarian drink, is claimed to stimulate boob growth. Popular with the ladies, it's made from fermented millet or fermented maize. There's that corn connection again.

In Ukraine, they claim that eating

Now she is back in this cowgirl get-up that stimulates the imagination and makes us fantasize about her taking a ride on a long, stiff one. The Ukrainian goddess and her perfect peaks command attention everywhere she goes and while she is still shy about flaunting her assets, Valory says all of the attention since her V-mag debut is very flattering.

Are big boobs just a substitute for big asses?

-by Maria Guerrero

Today I came across an interesting claim while chatting up *SCORE* editor Dave and *XLGirls* editor, Allie Q., and that was that men might like big tits because they could be a substitute for big asses. The idea being that if you look at a big set of tits, the cleavage kind of looks like an ass crack. And if you buy that, then you could naturally assume that guys who like to tittie-fuck would probably like to stick their dicks in between a huge set of ass cheeks and plow away, right?

According to Allie Q., men are drawn to asses because back in the day (which means, like, when we were cavemen and clubbing didn't mean you took a lady to a hot night spot), we were drawn into the bone zone to find the most-fertile woman to knock up. So, a woman with a big rump was good for humping and for pushing out future women-clubbers…you know, ideal child bearing hips and all that. Allie Q., (Who is by no means an expert in cavemen fucking…) also claimed that back

Danica Danali

Meet Danica Danali, a stay-at-home mom who can boast of 38J knockers. This plumper told us that she enjoys being home during the day and that she stays busy with her hobbies. "I like to cook," Danica said. "I like to read. I like to watch *Hell's Kitchen* and *The Amazing Race*, too."

When she is not hanging out at home, Danica likes to shop, have lunch with friends and visit her local sex shop to buy vibrators and dildos that she can masturbate with. "I like to make myself cum a lot. Sometimes I play with myself in my room, but I like to do it in my yard, too."

This Texan says that she is your average mom, except she has an above average 38J rack! But she doesn't dress to attract attention to her obvious assets. "When I go out, I dress like a mom. Jeans and T-shirts, or Capri pants and T-shirts. I like to be very casual and relaxed. I always wear a bra. I really only take it off to shower. Otherwise I wear one all the time." While she keeps it simple in the fashion department, Danica did tell us one of her favorite kinky secrets. "I am not one of those women who has a bunch of sexual fantasies, but I do like it when a guy wears a tight cotton shirt during sex. I love the way it feels. A tank-top is best but any shirt works." So if you want to get down with Danica, make sure that you dress the part!

Danica says she likes guys who can make her laugh and know how to have a good time. "It's that simple," she said. "If you can make me laugh, then you've already won half the battle." The J-cupper also said that she doesn't need a guy to make elaborate plans to woo her. "I like simple dates. I like to go to the movies and then to dinner. Maybe afterwards we can go for a walk somewhere nice. I don't want to do anything like rock climbing or skydiving. I don't want to be whisked away to Paris or Italy for a shopping spree. Keep it simple and I'm happy. I like to do things that are relaxing, too. I enjoy peace and quiet, so maybe a date could take me to get a massage and pedicure/manicure and just relax. That sounds like a perfect time."

then, we were primal and males were more prone to mounting women from behind. You know…like on the *Discovery Channel*.

After hearing all of Allie's ideas about asses and Dave's one or two, "No, it's true. Look it up. She is right," I took to the fabulous world of the Internet to research this claim and prove if this sex myth was true or not. A few clicks and some light reading later and lo and behold, I found out that there is some science behind the idea that men are attracted to women's asses because of some primal urge to procreate.

Now, before the ass men go off and throw some sort of booty parade for themselves, that doesn't mean that ass reigns supreme or that a big set of cans is just a substitute for, one, big can. Because all of the SAME THINGS can be said about the inspirational nature of a huge set of tatas.

That's right, basically, men are attracted to curves. A big, round ass might be an indication of the ability to pop out some offspring, but big tits are indicators of being able to feed said offspring. So, technically, liking ass or titties is just a matter of opinion. In other words, it just boils down to whatever floats your boat. In most cases, we like both big asses AND titties. So, sorry Allie and Dave. Myth debunked!

We love tits, but the power of Georgia Peach's caboose is undeniable!

Tits First -by *Elliot James*

In a *Scorecard* letter called "Tits First," a ticked-off C.A. writes, "I am so fucked off by letters that moan about models not showing pink. As long as the girls are offering up those big tits for me, I'm a happy man, and that should be the way for all true *SCORE* Men. Ninety-five percent of the models do spread their pussies and asses, anyway, so be happy and shut up."

C.A. may be a little cranky from reading the comments and letters from members who adamantly insist that if models don't get explicit, they should be passed over.

I think if a girl is attractive and has big boobs, it doesn't matter if she only wants to pose in a mild way, like Karla or many others we've photographed since 1992. I also know that girls like Renee Ross and Natasha Dulce, who do everything, will come along, too.

A lot has to do with the speed of life these days. Everything is fast, faster, fastest. People have short attention spans and even shorter patience. People want it all and they want it all right now. This instant. Technology has caused this. The Smart Phones, the Net, iPads, Twitter, and whatever is going to come next. Me, I move at the speed of boobs, and that's good enough, for me.

because 1) it has more than the usual number of full-body poses 2) Jenna's lingerie, heels, garters and stockings have that old-school men's mag look from the '50s and early '60s. Jenna has the overall appearance that really pulls it off perfectly and she looks killer. I think she would have been right at home during that period of time when Bettie Page, Blaze Starr and Tempest Storm were the ruling fantasy pin-ups, although none of those icons had boobs as big as Jenna's, not even close. (We just lost one last week, Tura Satana.) Not that I'm wishing for a return to those years as far as social norms. Even simple bare tits were considered obscene and smutty.

Hotties on the cover

-by Maria Guerrero

One of the most important parts of my job as editor of V-mag is planning the cover of each issue. It is a labor of love because, first of all, I get to stare at some of the most excellent hotties of all time, and second of all, I find picking out a cover shot to be really exciting. They say you can't judge a book by its cover, but I like to think that when Vanessa (my art director for V-mag!) and I create each issue's cover, we are asking to be judged. Our job is to make sure that we convey all of the hotness and bountiful boob flesh that await you inside of each issue. It is not a task that we take lightly.

come and go, and while I probably shouldn't say that I have favorites, I do. There are certain covers that just stand out in my mind and I like better than others. One of those covers is from the July 2009 issue of V-mag. There is something about that shot of Shyla Shy with her ass looking just so that makes me happy. I am also particular to the June 2010 cover featuring Karina Hart and her fabulous tits with the nipples starred out. I like her smile, and because her shot is large and in charge, the entire cover works for me. (It is actually one of the most-fun covers Vanessa and I have worked on.) But my ultimate favorite is the recent February 2011 cover featuring Ashley Sage in a very hot schoolgirl getup. That shot, with the open buttons exposing her cleavage and that horny look on her face…well, it drives me mad. I think it's delicious.

Now, I know I am not alone in my love of certain covers because from time to time, I get emails from you, the fans, referencing certain cover girls that did it for you. I love when I get emails like that. It's nice to know what you guys are into and/or thinking about.

So, I am going to ask you now: Who is your favorite *Voluptuous* cover girl and why? Is it the way that she is posing? Or is it the outfit she is in? What is your favorite cover so far?

Remember that all of the information you give me is always taken into consideration when I plan the next issue of V-mag. I mean, I make the magazine for your enjoyment, so why not tell me what you enjoy seeing?
